CHANGES TO BE MADE BASED ON MEETING HELD ON 08/05/2019.

1. Title change on career login page (welcome title).
2. Expected salary input field to be moved to the very end of the combined form.
3. Navbar with user profile information (image and name) to be added.
4. Employment history to clearly state the recent position held.
5. Salary input field for each job in employment history to be added.
6. Achievements to be changed to roles performed on work experience.
7. Education to start with the most recently cleared.
8. Number/ID of professional certificates on certificates segment to be removed.
9. Key to clearly show mandatory fields.
10. Notice period to be given.
