Text Formatting	All text is formatted identically to the mockup. You should not use b desired separation with paragraph tags (text).
Image and Link	The image's source is the correct URL and all links in the article are

Reflections

CRITERIA	MEETS SPECIFICATIONS
Reflections	The reflection answers at least three of the four questions: • What new skills have you learned? • What has been easy? • What has been difficult? • How have you used the problem solving strategies from the first projec Answers can be simple. For instance, if nothing has been easy, you c Grammar, spelling and punctuation do not need to be perfect, but you Bullet points / lists are acceptable. Any language is acceptable.
